Training: 2020 NEC Six Disconnect Code Change – Cameron Clark, Eaton

State of Washington – Last Wednesday was meeting with TAC. Vacant seat for PE chair. Amended WAC is posted to website. Now conducting electronic plan review and virtual electrical inspections.

City of Kirkland – Only conducting electronic plan review. Participating in TAC and WCEC reviews. Going to be a busy year with adoption of multiple different code revisions.

City of Bellevue – No comments.

Puget Sound Energy – Apply early for 2020 incentives. Approximately 50% increase for lighting control upgrades.

Snohomish PUD – No comments.

Energy Code – version of energy code online WASBCC. Final version will be updated end of January.

IAEI – No comments.

IEEE – No meeting in December. Meeting scheduled for January - no speaker scheduled yet.

Electric League – Looking for people interested in joining the mentorship program. January 23rd “speed dating” between students and mentors at Lake Washington Institute of Technology. January meeting presentation: 2020 Economic Forecast.
