*2019 April Minutes approved with corrections*

### Education

Switchboards, Switchgear and Panel Boards presented by Jimmy Matuszak (Siemens), Cameron Clark (Eaton), and Jenna Pine(Square D)

### Puget Sound Energy

Andrew Pultorak reported that PSE is looking for ideas for energy savings programs in HVAC, Electrical, and Lighting. Any creative ideas that PSE might implement are asked to be submitted to Andrew.

### Energy Code

Andrew Pultorak reported that public comment on the commercial code changes has been rescheduled for fall 2019 to coincide with residential code change public comment. The commercial code changes are scheduled to go into effect in the spring of 2020.

**IEEE** – No more activity planned until fall 2019.

**ELPN** – Upcoming activities are the Mariners baseball game on June 20th and the golf tournament on August 29th. ELPN is seeking mentors for our Pilot Mentor Program – manufacturers and contractors are need to supplement mentors in engineering.

**Education (June)** NEC 700, Dan Lanske (Cummins Sales and Service)

**June 19 Code Meeting** Location TBD

**Adjourn**
